

SAFETY BRIEFING

PLEASE READ COMPLETELY BEFORE SIGNING

The following rules are to be adhered to by everyone present. TRACKED.Ilc reserves the right to take any action necessary to preserve the safety of participants such as removing cars and/or drivers for non-compliance with rules or simply moving drivers into more appropriate run groups. No refunds or credits will be issued for non-compliance.

ON TRACK RULES:

- > Wear helmet and proper shoes and clothes while on track AT ALL TIMES.
- > Windows down, face shield closed, seat belts on.
- > Do not enter the track without direction by Course Control. Use reduced speed entering hot pit.
- > Passing is POINT-BY ONLY unless otherwise specified. Do NOT aggressively overtake (“Dive bomb”).
- > Observe and comply with track flags from Course Control. Failure may result in time consuming track closures.
- > 4-wheel off or a tow off will require review before returning to track. See any TRACKED personnel.
- > Repeated loss of control (offs, spins, extended slides) or tows will disqualify car/driver from returning to track for the day.
- > Good sportsmanship IS THE RULE. Please discuss any disagreements calmly or include TRACKED personnel.

By signing, I agree to abide by all rules listed above as well as to use my best judgement while attending the event.
